Welcome to Braddock. Come on in. My name is Bozo the Real Estate Agent, and I'll be bopping along with yinz on your magical real estate tour. Take some time to mingle with the other prospective buyers before we begin the tour. Relax. Have a beer. Craft beer. The craftiest of Craft beer! Only the finest of the fine for our beautifully wonderful clients. Hmm? No, tisk-tisk, don't worry 'bout locking your car doors. Wonderfully safe neighborhood. Wonderfully grand people. Can get your prescription filled on any street corner. Very helpful. Wonderful people. You'll love it.

Ok folks. It is time to get our gloriously wonderful tour underway. Let me know if yinz see a marvelously wonderful home that strikes your interest. Feel free to ask questions. Wonderful questions. Ok. Here we go. We're off. Wonderful.

Yes. Look at the marvelous stonework. Leaning? No, I'm sure that's an optical thing, just the way sunlight is striking it. Missing windows? No, that is the latest. Flow through ventilation, it's all the rave. Wonderfully efficient. Real Estate Bubble? No. Bubbles was a marvelous partner of mine. Wonderful man. Suddenly left the country a couple years back. Haven't seen him since.

And we're gonna take a splendid little rest here in the parking lot of the Social Club. Have a beer. Craft beer. Only the finest for our fine clients. It's a.....on the house. Wonderful.

Ok folks. Time to move on. Continue with our marvelous tour. Any of these houses along here. Yes these are all fine fixer-uppers. Certainly needs some yard work. The sagging roof? Adds a wonderful touch of character. Just look at the way that dips. Classic. Curb Appeal? Does she hash any more. I haven't seen her in months. Hmm? The square with the X in it that is spray painted on the doorway? Condemned? No, no. That means it's a prime OPPORTUNITY. A wonderful opportunity. Deer carcass? Isn't it glorious. A Sportsman's Paradise. You can hunt from right out of the bedroom windows.

Ok, now what we have here is a Haiti special. Yea, kinda looks like some misshapen breasts. But who doesn't like breasts. Walls are two feet thick. Isn't that marvelous. And will not crumble even in a fabulous earthquake. These walls could stop bullets. And that could be a wonderfully important feature. Very safe house. Marvelous.

Ok. That is the end of our wonderfully splendid tour. Feel free to line up for a hotdog. Well, will you look at that. Kinda looks like the scene from a Depression era soup kitchen. Wonderful.

Wonderful Hash! Seriously. Posthumously, DM
