Fahoo forays, dahoo dorays.....

Welcome, welcome, Festivus Day....

Festivus is this wonderful time of the year

For us whos it is filled with joy and good cheer

All us whos down in Whoville r.e.j.o.i.c.e in our Festivus

But those Grinches, that Hared, were cruel and detested us

They shouted and ranted, they called us rude names

They belittled and bullied, they changed rules to the games

Don't ask me why they torment us this Season

It perplexes the mind, I don't know the reason

It could be, perhaps, that their shoes are too tight

It could be their heads aren't screwed on just right

But I think that the most likely reason of all

May be that their hearts are two sizes too small

Yinz are foul ones, Mr Grinches, Yinz are nasty-wasty skunks

Your hearts are full of unwashed socks, your souls are full of gunk

Mr Grinches.....

From the tale of Mr. Scrooge, the Grinches they gained

The idea to bind us with weights and with chains

Tethered to balls&pins from alleys where you bowl

These burdens we carried, along with the Festivus pole

Cranky Curmudgeon was pressed in Sandwich Boards

Though, that idea, admittedly, *everyone* adored

In the end, the Whos, we enjoyed our Festivus feast

But the Grinches ran Circle like a pack of wild beasts

Yinz are vile ones, Mr Grinches, yinz have termites in your smiles

Yinz have all the tender sweetness of a seasick crocodile

Mr Grinches.....

Posthumously, DM
